### **B.O.O.K Small Stage Sets on Tour: A Practical Guide to Portable Stage Sets by by James Hull Miller**

Written by the leading authority on portable stage sets, James Hull Miller, this book contains his fifty years of experience in design, construction, and application of portable stage sets. Dozens of actual sets and instructions for how to build them are included. This stagecraft text also examines various types of theaters and other playing spaces encountered in traveling productions. There are chapters on folding and clamped sets, stagecraft in schools and recital halls, and small theater designs. This is an indispensable resource for stage crews and theatre students, now in its second, revised edition.
